

Pacifichem 2015

2010 POLY Participation:

- POLY sponsored 8 Symposia: \$500 per ½ day session (max 2k each)
- \$47k Total Expenses for Symposia Support and Staff Travel
- \$27k Session Organizers Raised External Funding
- \$34k ACS Refunded POLY

2015 Participation:

Propose POLY provide support to 8 Symposium (16k max) in the amount of 500 per ½ day session (max 2k each) (same formula as ACS meeting)

- Monomer Sequence Control: Using Nature's Strategy to Create 21st Century Polymers, Organizers: Tara Y. Meyer, Makoto Ouchi, Zi-Chen Li, Hanadi Sleiman, Jean-François Lutz,
- NMR of Polymers, Organizers: Alan English and H. N. Cheng
- Functional Materials Based on Organic-inorganic Hybrid Polymers, Frieder Jaekle

- ACS can not guarantee support until meeting is profitable. They do have intentions of providing divisional support.
