Accommodations:

The conference will be held at the University of California, San Diego (UCSD). Nestled along the Pacific coastline on 1,200 acres of coastal woodland, UCSD is a powerful magnet for those seeking a fresh, next-generation approach to education and research. For additional university information and directions, please review the UCSD web site at <http://www.ucsd.edu/>. (The conference is not sponsored by the University of California).
